

REMARKS

Claims 1 – 41 are pending in this application. Of those, claims 1 – 5 and 7 – 41 are allowed and claim 6 stands rejected under the second paragraph of 35 USC §112.

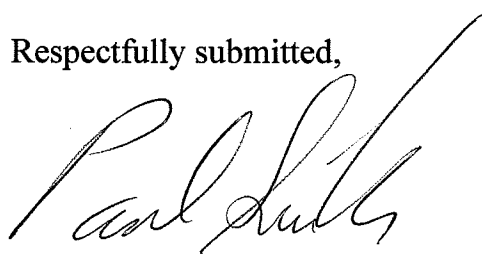

The Examiner stated that Claim 6 was indefinite as it stated that “all” of the second portion can be accommodated in the aperture of the external driver, but that spring 22, which is part of the second portion, could clearly not ever be placed within the aperture.

Claim 6 has been amended in response to the Examiner’s rejection, to specify that the aperture will “accommodate part of said second portion of said device”, thereby overcoming the rejection.

CONCLUSION

The Applicant submits that the claims are in condition for allowance and respectfully requests that a Notice of Allowance be issued in this case.

Respectfully submitted,
